

Celebrity Chefs Dinner

It's just around the corner.... No, not Spring, this is Michigan after all! We're talking about the Annual Celebrity Chefs Dinner hosted by Master Chef Milos and Community Living Centers of Farmington. Community Living Center's premier fundraising event will take place on Friday, April 16, 2010 at the elegant Detroit Athletic Club. Once again, metropolitan Detroit's finest chefs will assemble and prepare an exquisite feast for those lucky enough to attend. Master Chef Milos Cihelka (Former Golden Mushroom) and a who's who list of 13 area chefs will be tantalizing the taste buds of patrons with their incomparable creations. For over 30 years, proceeds from this outstanding event have gone to Community Living Centers of Farmington to assist them with their mission to serve developmentally disabled adults in our community through their 9 group homes and independent living program.

The extended evening begins with some delectable appetizers, prepared in front of you by various chefs and it's your chance to ask them questions. You will then move into Detroit Athletic Club's formal dining area where a 5 course dinner and wine will be served. After each course, the chefs will describe their culinary creations. Just when you think you will not be able to try another morsel, it is time for dessert! Don't even think about the calories, just revel in how delicious it is.

The best part of this dinner is that \$75 of your \$125 admission price is tax deductible! Anyone who has savored the Celebrity Chefs' extraordinary cuisine will tell you it is well worth the cost of the ticket. Bring your friends and family and enjoy some of this area's most sought after cuisine. Over 250 patrons attend this outstanding event every year. Great food, good friends, bountiful wine and tax deductible! All for a great cause of caring for our local developmental disabled adults. What more could you want?

Celebrity Chefs in attendance along with Master Chef Milos will include:
